Llama farming in Cornwall

Stephen Bassey
Transfusion Scientist
Royal Cornwall Hospitals NHS Trust

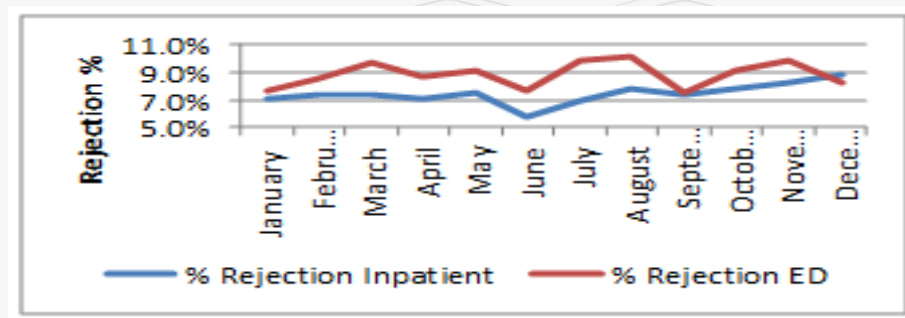

What is it?

Why ?

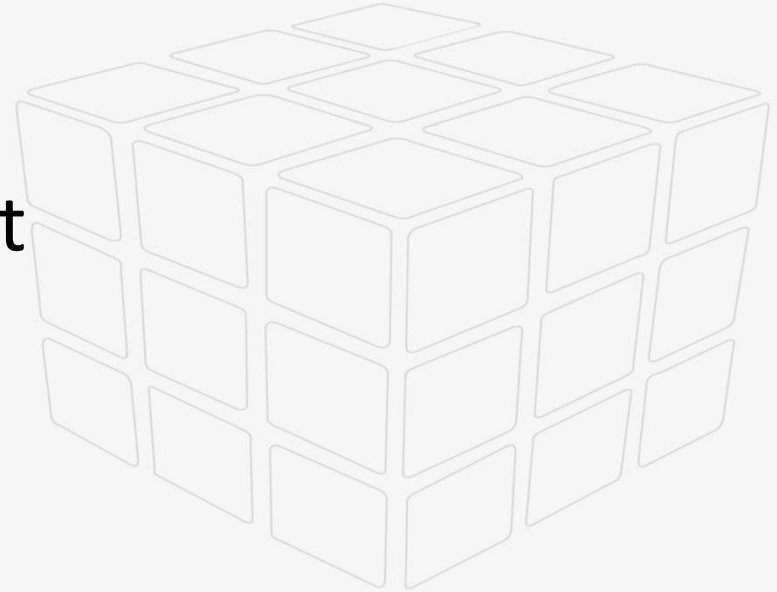

- ↑ Reject rate
- 2 sample rule
- 3-fold increase in WBITs (2014)

Tracking approach

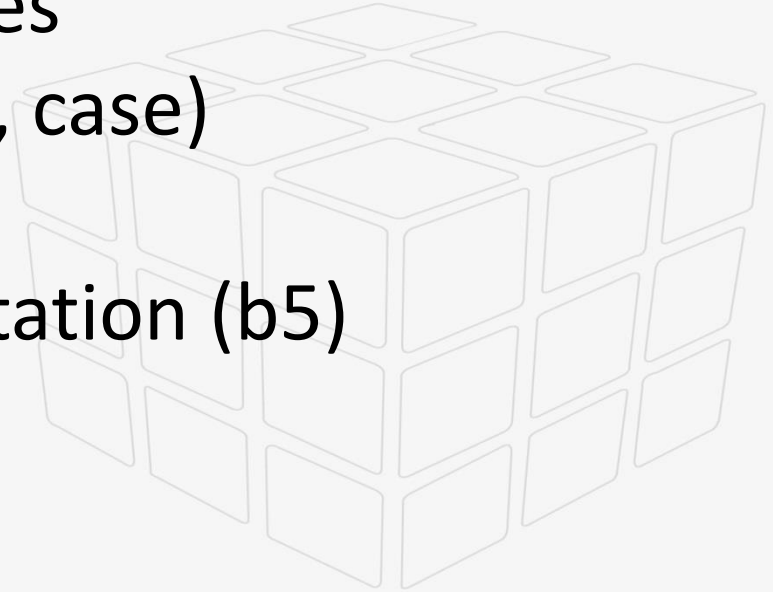

- Can't be done
- iPod camera isn't up to it
- £500 sledge

Project costs

- Live across all 3 Trust sites
- 85 devices (iPod, printer, case)
- Chargers, labels
- Staff time for implementation (b5)
- £54 780

- HSJ Patient Safety Awards 2016: Best emerging product or innovation in patient safety
- NHS Innovation Acorn Challenge 2016

L It
L Doesn't
A Stand
M For
A Anything

But who doesn't love a llama?
