Specialist Certificate in Clinical Transfusion Practice

The Specialist Certificate in Clinical Transfusion Practice is strictly for BBTS Members only.

Below you will find a series of links that will provide you with a clearer idea about the Specialist Certificate in Clinical Transfusion Practice and what it entails. The guide has been designed to be an online reference source, but it can also be downloaded as one document (PDF) if you are required to provide full details for your employer.

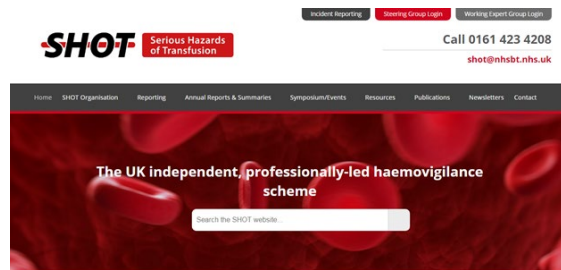

Enrolment for 2020-21 runs from 16th April – 31st May 2020.
