Examination - Allegations of Unfair Practice (AUP)

To include but not be limited to:

- Plagiarism
 - *The act of using ideas, words, or creations from either humans or digital systems, such as Generative Artificial intelligence, without proper attribution or permission and presenting them, either intentionally or unwittingly, as one's own work. Plagiarism encompasses a range of practices beyond just verbatim (word for word) copying. It also includes instances of close paraphrasing, minimal adaptation, and other actions that involve reproducing the work of another source in a way that means the assessed work lacks appropriate originality or proper referencing.*
- Collusion
 - *when a student or students permit or condone another student or students, to share a piece of work subject to assessment in order to gain a mark or grade to which they are not entitled. Students who allow another student to copy their work are also committing collusion and both the copier and the provider of the work are liable to be penalised. The methods of collusion may include, but are not limited to, sharing of work, ideas or plans by social media or other electronic communication means, and/or physical sharing of work, ideas or plans. Collusion may happen through an exchange or communication outside of an assessment submission and/or at the time of an assessment submission*

 - the student's case may be referred directly to PEC for formal review
OR
 - the student may be asked to participate in a viva voce (to establish knowledge level) and a decision will be made based on that;

- If no admission of AUP, and viva voce result is successful, original grading is upheld
- If no admission of AUP and viva voce result is unsuccessful, their case will be referred to PEC for formal review.
- Possible outcomes of PEC review:
 - If the allegation is upheld - all penalties apply (see below)
 - Student has the right to further appeal PEC decision to BBTS President
 - If the allegation is overruled - original grading is applied.
- If student admits AUP, all penalties apply.

Penalties for AUP:

- Candidate must retake all exam* papers again
- Overall resit grade is capped at 60%
- Candidate loses eligibility for a further resit opportunity if unsuccessful and must reapply at full cost if qualification is required.
