

Advances in Transfusion Medicine

Thursday 22 & Friday 23 November 2018

To be held at The Royal College of Pathologists, 6 Alie Street, London, E1 8QT

11 CPD Credits for both days

There are ongoing significant advances in transfusion medicine and science with high quality research supporting evidence-based practice. This two day meeting organised on behalf of the Royal College of Pathologists brings together experts from various clinical disciplines together with leaders in transfusion science to provide a broad overview of current key developments. The meeting will be of wide interest to all those involved in transfusion medicine.

We are also inviting doctors in training, transfusion practitioners, and transfusion scientists to submit abstracts for presentation. prizes will be awarded, see website for further details.

Thursday 22nd November 2018

10:00 Registration and coffee

10:30 Welcome - **Professor Jo Martin, President, Royal College of Pathologists**

Chair: Professor David Roberts, NHSBT

10:40 Keynote speaker - **Professor Meghan Delaney, The George Washington University, Washington, USA**

Evidence based transfusion practice: Chair – Dr Shubha Allard, Barts Health NHS Trust & NHSBT

11:20 International NAIT guideline - **Professor Lani Lieberman, University of Toronto, Canada**

11:45 Near patient haemostasis testing - challenges to implementation - **Dr Jecko Thachil, Manchester University NHS Foundation Trust**

12:10 Advances in Sickle cell Disease - **Dr Jo Howard, Guy's & St Thomas' NHS Foundation Trust, London**

12:35 Discussion

12:50 **Percy Oliver Award for Achievements in Transfusion Medicine/Science**

13:00 Lunch

Advances in transfusion science: Chair - Professor Mike Murphy, John Radcliffe Hospital & NHSBT

14:00 TTP and advances - **Professor Marie Scully, University College London**

14:25 INTERVAL Trial – genetic testing- **Dr Adam Butterworth, University of Cambridge**

14:50 Organ transplantation – achievements & challenges - **John Forsythe, Medical Director Organ Donation & Transplant, NHSBT**

15:15 Coffee

15:45 Tranexamic acid for all - **Professor Beverley Hunt, Guy's & St Thomas' NHS Foundation Trust, London**

16:10 Young investigator – 2 talks of 10 minutes each based on best abstract selection

16:30 Close

Viewing of posters selected as best abstracts will take place over lunch & coffee

With kind support from the International Society of Blood Transfusion

The Royal College of Pathologists
Pathology: the science behind the cure

Friday 23rd November 2018

09:00 Coffee

Transfusion safety: Chair - Professor Lorna Williamson, Royal College of Pathologists

09:30 21 years old - SHOT comes of age - **Dr Paula Bolton-Maggs, Medical Director, Serious Hazards of Transfusion**

09:55 Blood Safety – learning from the past and looking to the future - **Dr Ines Ushiro-Lumb, NHSBT and PHE**

10:20 Horizon seeking - new components - **Dr Rebecca Cardigan, Head of Components Development, NHSBT**

10:45 Discussion

10:55 Coffee

Clinical practice: Chair - Dr Megan Rowley, Scottish National Blood Transfusion Service

11:25 Aplastic Anaemia - **Professor Judith Marsh, Kings College Hospital, London**

11:50 Platelets - trials & guidelines - **Dr Lise Estcourt, University of Oxford and NHSBT**

12:15 Haemato oncology & transfusion - practical challenges - **Dr Jonathan Wallis, Newcastle upon Tyne Hospitals NHS Foundation Trust**

12:50 Discussion

13:00 Lunch

Improving the impact of PBM: Chair - Dr Janet Birchall, Welsh Blood Service

14:00 Pre-op anaemia – how do we change practice? - **Dr Alwyn Kotze, Leeds Teaching Hospitals NHS Trust**

14:25 Patient Blood Management and Paediatrics - **Professor Meghan Delaney**

14:50 International Patient Blood Management Consensus conference - a summary - **Dr Cynthia So-Osman, Sanquin, Netherlands**

15:30 Close

Book online:

<https://www.rcpath.org/event/advances-in-transfusion-medicine-1.html>

Tel 020 7451 6715

Email meetings@rcpath.org

Registrations - Two day fee applies

Two day fees

RCPATH Fellows £370

Concessions £190 (Trainees, BMS, Nurses, Retired)

Non-members £425

Registration is for both days but you can share this with a colleague so each attends one day. One delegates should make the online payment and then email us to inform the name and contact email of the second attendee and which day they are attending
