15:30	Closing remarks	Claire Atterbury QEH, Kings Lynn

ANNUAL DINNER

BBTS has a tradition of informal networking, and we are therefore inviting all delegates to share dinner on 14th May. This is an open invitation for delegates of both days to opt for the accommodation and dinner package. A well known figure in Transfusion, Dr Dafydd Thomas, will be sharing his thoughts - if he can be heard over the chatter! This provides a great opportunity to use these 2 days as a short, joint complementary conference to inform working practice in your Hospital.
