

Safe blood donations to ensure safe transfusions - Insights from JPAC

Tuesday 5 December 2023 -13:00 – 14:00 GMT

SHOT and JPAC are pleased to announce this collaborative webinar that will provide an overview of JPAC with a focus on safe donor selection to ensure safe transfusions.

This 60-minute webinar is free to access but you will need to register to be able to attend.

The webinar will cover the remit, responsibilities and committee structures of JPAC and its collaboration with other organisations. This session will also include Blood Donor Selection Guidelines, how these are developed and their importance in ensuring safe transfusions with some illustrative examples

The hour-long webinar will include a 15 minute interactive Q&A session

This provides an excellent opportunity for CPD through reflective practice

This webinar will be relevant to all health care professionals involved in anywhere along the journey of blood – Blood Donation teams, Clinical Support teams and Donor Medical teams in the Blood Services, Laboratory Staff, Clinicians, Transfusion Practitioners and Haemovigilance Specialists, as well as Quality Assurance Professionals

Register for the event here:
