

# SCOTBLOOD 2013

## ANNUAL CONFERENCE

**Thursday 6th and Friday 7th June**  
**University of Stirling**

Scotblood 2013 has an excellent programme of national and international speakers who will be discussing the current issues and future developments affecting the fields of transfusion medicine, cellular therapy, and transplantation.

Registration is now open. To book your place or to see the full programme please visit [www.scotblood.co.uk](http://www.scotblood.co.uk) and click on '2013 Annual Conference'. Alternatively you can contact us at the email address and web address below.
